

POSTPONED UNTIL MARCH 5!

**Announcing the Very First
Women's One-Day Retreat at Grace Lutheran Church, Little Rock
January 15, 2022
Precious Jewels**

Speakers and activities will renew, restore and provide a refreshing and relaxing experience with lots of fun, great food and opportunity to connect with others. Our theme of Precious Jewels centers around God's Word to us. We are beloved, adored, and cherished by Him as His maidservants. It is His mercy and grace that will shine and be the very precious jewel of Christ Jesus. He is the Way, Truth and Life.

We have a very special day planned for you. Our time together at the retreat promises to be spiritually uplifting, inspirational, filled with plenty of surprises and fun! Invite your friend, neighbor, relative or come alone (we promise you won't be alone when you leave . . .) The women of Grace are excited to meet you!

Here is the website for online information and registration:
